

A diagram of a rectangular enclosure cut guide. The rectangle has rounded corners and a black border. Four small circles, representing 4.5mm holes, are positioned at the corners of the rectangle. The text "Enclosure Cut Guide" is centered in orange, and "4.5mm holes" is in the bottom right corner. Dimensions "126mm" and "94mm" are shown below and to the right of the rectangle respectively.

***Enclosure Cut  
Guide***

**4.5mm holes**

**94mm**

**126mm**
